Parish Outreach Program

September, 2013

Dear St. John's Church Members and School Families,

The Parish Outreach Program was designed to keep post-high school members in contact with their church or school family through email messages from Pastor Johnson, birthday cards, baptismal birthday cards, Christmas cards, devotional materials, and optional gift cards/care packages. This is an excellent opportunity to remind our post-high school children of the love, support, and sacrifices our LORD freely gives us.

Beginning this year we are extending our reach to our school families. As an alumnus of St. John's Lutheran School, you are a member of the St. John's family, and are still in our hearts and prayers.

The Board of Parish Education and Youth are excited that the program will be continued this fall. There will be three options from which you can sign up for on the enrollment form.

Anyone who is away from home during the years after high school graduation is eligible to be in the program. If your son or daughter is in college, serving in the military, at an internship, or away for another reason please sign them up in the Parish Outreach Program.

It is enrollment time once again! Please take a few moments to consider enrolling in the Parish Outreach Program.

Complete the following form and return it to the church office ASAP.
